

THE CATHOLIC PILGRIM OFFICE, INC.

IMPORTANT INFORMATION REGARDING TRAVEL TO ITALY:

From 1 June 2022, **the Green Pass** or other equivalent certification is no longer required for entry or return to Italy.

The restrictive measures for arrivals from abroad due to COVID-19 are no longer in force.

In Italy, some containment measures remain, such as the use of masks in certain circumstances. For more information, consult the In-depth analysis of [ViaggiareSicuri](#) and the dedicated portal of the [Ministry of Health](#) .

All those who intend to go abroad, regardless of the destination and the reasons for the trip, must consider that any movement, in this period, may involve a health risk.

It is therefore recommended to carefully plan every aspect of the trip, also contemplating the possibility of having to spend an additional period abroad, as well as having health insurance that also covers the risks associated with COVID-19.

- As Travel Insurance is Mandatory per our terms and conditions please make sure to discuss the best coverage policy with your travel insurance provider should you test positive while traveling abroad.
